# ABOUT ESTIDAMAH

**Estidamah** is a consulting firm based in Kuwait, specialized in sustainability and climate change, our operations are across the GCC countries, providing a wide range of solutions including ESG and climate change strategies, ESG and carbon footprint reporting, strategies implementation, corporate governance and executive training and education, we provide our services for governmental authorities, public and private sector companies, and NGOs.

# OUR VISION

*“To lead and guide organizations to integrate environmental, social, and governance (ESG) principles into their operations and investments for a more resilient and ethical economy.”*

# MISSION STATEMENT

“At Estidamah, our mission is to assist institutions in embedding ESG criteria into their DNA.”

# OUR AIM

We aim for creating positive Social, Environmental, and Economic impact. In our scope, **Estidamah** equips its stakeholders throughout their sustainability journey with the necessary tools and expertise needed to actively manage their triple bottom line. We offer a helping hand to all our partners and stakeholders to implement sustainable and customized solutions by integrating a customized business-driven, cost-effective, and shared-value approach into the organization's operations.

## innovation & excellence

We adopt a holistic approach to create a comprehensive impact on sustainable development through innovation and excellence, which are the main drivers in the daily work of our specialists. We associate with a pool of professionals and networks that cover vast areas in sustainable development while relying on experts who are well informed of the national, regional, and international context and major challenges.

# OUR SERVICES

## Financial institutions consulting

Following the global and local developments, **Estidamah** acknowledges that the impact of ESG factors on the valuation of financial institutions will continue to rise in scope and importance. For this reason, we offer fully-fledged Global and National Market Compliance Services for the financial sector in GCC region.
